

# Providence Creating Hope Dinner

Wednesday, May 22, 2019 | Portland Art Museum

## Start with hope.

A friend, a loved one, a colleague, us. We are all touched by cancer. And we all need hope – hope for a positive scan, for another birthday, for a breakthrough, for a world without cancer. Hope drives everything happening within the walls of Providence Cancer Center.

**On May 22, you can create hope for a brighter future for those diagnosed with cancer.**

## Sponsors and donors make hope possible.

70% of the funding for research at Providence comes from philanthropy. Funds raised from the Creating Hope Dinner will fund significant research taking place at Providence Cancer Center. The Creating Hope event series has **raised over \$11 million** since its inception in 1998.

## Benefits of Sponsorship

Details of sponsor levels provided on following pages.

- Exposure to an audience of more than 550 business, community, and thought leaders in Portland.
