

ROBERT W. FRANZ CANCER CENTER AT PROVIDENCE PORTLAND MEDICAL CENTER CANCER RESEARCH LAB TOURS FOR 2020

*830 NE 47th Ave.
Portland, OR 97213
503-215-6020*

Come learn how internationally recognized cancer researchers are conducting promising research aimed at harnessing the power within our bodies' own immune systems as a tool to fight cancer.

Walk through our research labs and witness leading-edge technology at work. Hear about new and exciting developments with our clinical trials.

Learn what bench to bedside research really means from doctors who do both. Learn how we care for the whole person and offer support for families dealing with cancer.

For more information or to inquire about scheduling a private tour on a different date or time, please contact Tam Everard at 503-215-6020 or tamatha.everard@providence.org
