How would you like to register?

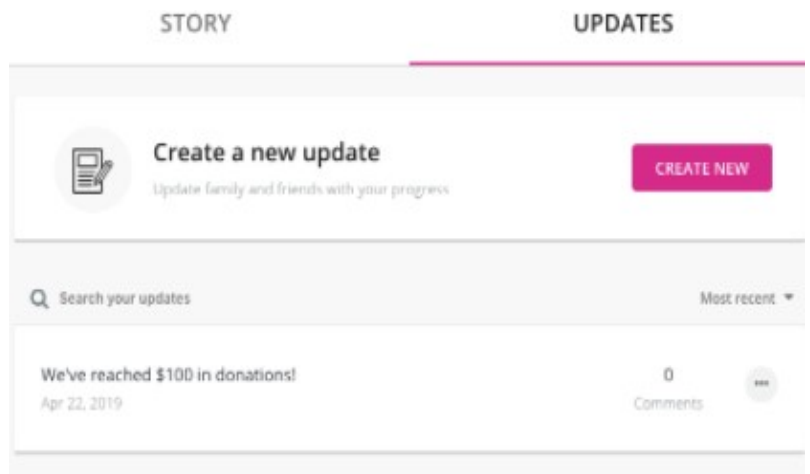

- **Fill out the sign-up forms**

**Be sure to use the suggested photo size!**

- **Edit your fundraising page.** When you're done signing up, you'll see your fundraising page. The last step is to edit your page. To do so, tap the **Manage** button (top right corner) to open your editor. From there you can change the story content, post updates, and change the details of your page such as your profile picture.
- **Overview.** Use the tabs to edit features of your fundraising page. The **Story** and **Details** tabs control the appearance and details of your page.
- **Edit your story.** Tap on the **Story** tab and make your changes. Add photos, videos, and links. Share why this cause is important to you and how donations will make a difference.
- **Be sure to save when you're done.**

- **Post updates.** Use updates to keep friends and family engaged with your fundraising progress.
- Remember to **share your fundraising link** through email or social media. The more you share, the quicker you'll reach your goal!
- **Remember to thank your donors!**
